Children are accepted into the program in the order in which the registrations are received. You may request AM or PM, but your child will be placed in classes on a first come first serve basis. Notice of child's class placement will be sent shortly after registration is received.

To register, the school will send out the registration link to all families on the registration contact list. The link can also be found on our website and Facebook page. From there, you will be asked to join our Brightwheel platform, which will then lead you to the registration form. A tuition agreement form must also be signed, and the registration fee must be sent or brought to the school within one week of registering. The registration fee is \$60.00 and is required to hold your child's spot.

This is a new system that will be utilized this year. We ask for your patience as we navigate this new territory. If you have any additional questions, please call the school office at 724-941-4771.
